COMMODITY FUTURES TRADING
COMMISSION,

Plaintiff,

-against-

EDDY ALEXANDRE and
EMINIFX, INC.,

Defendants.

22 Civ. 3822 (VEC)

NOTICE OF INITIAL DISTRIBUTION

David A. Castleman, the Court-appointed receiver (the “Receiver”) over Defendant EminiFX, Inc. (“EminiFX”) and certain assets of Defendant Eddy Alexandre, files this Notice of Initial Distribution (“Notice”) in accordance with the *Opinion and Order* [Dkt. 431] approving the Receiver’s plan [Dkt. 383-1] (“Plan”).¹ The Receiver is announcing an Initial Distribution and Rising Tide Percentages as follows:

Initial Distribution	\$100,000,000
Class 3 Rising Tide Percentage	45%
Class 3A Rising Tide Percentage	55%

The total budget for the initial distribution is approximately \$100 million, which is a majority of the \$152 million currently held in the Receivership. The primary reason for holding the remaining Receivership Assets is the need to reserve conservatively for the reasonable worst-case tax liabilities for both EminiFX, Inc. (pre-receivership) and the Qualified Settlement Fund (post-receivership), as detailed in the Receiver’s reply brief in further support of the Plan

¹ Capitalized terms used but not defined herein shall have the meaning ascribed in the Plan.

[Dkt. 399, at 3, 12-13], exacerbated by the inapplicability of 11 U.S.C. § 505(b) to federal equity receivers, who are still bound by the Federal Priority Statute, 31 U.S.C. § 3713. The Receiver is also maintaining reserves to address resolution of accounts with disputed transactions or review holds, and other contingencies. The Receiver's \$100 million budget for the initial distribution is categorized as follows, as reflected in the annexed anonymized exhibits:

Exhibit 1: Class 3 Users eligible for payment (23,643 Users; \$94.6 million).

Exhibit 2: Class 3 Users that will not receive a payment because their pre-receivership withdrawals exceed the rising tide distribution (798 Users; \$0).

Exhibit 3: Class 3A Users eligible for payment (7,991 Users; \$2.2 million).

Exhibit 4: Class 3A Users that will not receive a payment because their pre-receivership withdrawals exceed the rising tide distribution (115 Users; \$0).

Exhibit 5: Users with disputed transactions or accounts under temporary Review Holds (630 Users; \$2 to \$5 million aggregate potential distribution amount).

The Receiver and his team have been and will continue to collect payment information from Users—over 15,000 Users have already provided payment information. Users will be sent an email announcing this Notice (which will also be posted on the main home page of the Receivership website), and will be reminded to provide payment information as soon as possible. Those Users who provide their payment information by January 31, 2025 will receive a payment in the first wave of payments in early February 2025. As Users continue to provide payment information, periodic waves of payments will be made throughout 2025.
